Dear Vendor:

The National Executive Board of Lambda Theta Phi Latin Fraternity, Inc. invites you to be a part of our upcoming National Convention, "**Celebrating Our Past: Looking Towards the Future**", to be held in Washington D.C Thursday, June 24th to Sunday, June 27, 2010.

The convention will focus on the advancement of the Latino male by providing career workshops and networking opportunities. National Brotherhood Conventions are held on even numbered years as a method to continuously educate our members on a wide variety of topics and conduct fraternity business and elections. Workshops are facilitated by alumni brothers, as well as non-brothers, who specialize in specific fields such as technology, business, investment and/or self empowerment. The conferences are aimed to meet both undergraduate and alumni interests and needs.

This year Lambda Theta Phi will be hosting a vendor fair whereby your products and services will be available for purchase throughout Saturday June 26th at the Sheraton Crystal City in Arlington, VA. As a vendor at the National Brotherhood Convention your company / organization will be a part of an event that will host hundreds of Latino alumnus and undergraduates.

In order to host a vendor table a minimal fee is required:

\$200	Private/Independent Companies
\$125	Companies Owned by Brothers or Serving as their Agents
\$ 75	Independent Brothers/Chapter and/or Sectors

Lambda Theta Phi, Latin Fraternity, Inc. is the first Latino Fraternity to be nationally recognized. Lambda Theta Phi consists of over 100 satellite chapters representing all of the major metropolitan areas across the United States. Lambda Theta Phi is a non-profit service/social fraternity emphasizing Latino/a unity and the celebration of the Latino/a culture while promoting academic excellence and community service. Enclosed you will find the application to become a vendor for our event. If you need any additional information, please feel free to contact us at executivedirector@lambda1975.org.

Thank you in advance for taking the time to review this information and we hope to count on your support.

Sincerely,

Jesse Palencia
Director of Programming
